
INTEROFFICES MEMORANDUM

TO: ANNETTE FITZGERALD
CC: ELIZABETH WHITMORE
FROM: DENISE REECE
SUBJECT: STRATFORD UPON AVON – WARWICK WATERWAY
DATE: 19TH MARCH 2004

At the South Warwickshire Council meeting held on Monday 15th March 2004, the issue of the **Extension to the Stratford upon Avon – Warwick Waterway** was raised.

The proposal was given the SUPPORT of the Stratford Upon Avon Branch Council, within the caveat of a fair and democratic process be engaged, to ascertain the views of all interested parties.

Those members in attendance considered the issues, prior to the decision to support and consequently it was decided this was a matter be progressed to the next level and be passed up to Oak Tree Court for action via the greater Policy Route.

Dr DNF Hall provided some hard copy paper work which will be passed to you.

I am aware that the Mid-Warwickshire Branch has some views on this matter. A good case of the Branch network activity. Over to you and your team Annette.

Best Regards

Denise
